Bangalore, 6th Dec. 1925.

My dear Sir,

Ref 6/12 Med 64-25-9

I enclose for your information the original letter dated 26th October 1925, from the Secretary, College of Nursing, London, to Mr S. Subbarao, giving the terms and conditions under which it would be possible to secure the services of a competent matron for the Victoria Hospital. Considering that the Victoria and the Kingsway Rajendra Hospitals are important training institutions for Nurses it is absolutely necessary to have thoroughly trained and competent matrons at the head of the Nursing Establishment of these institutions and the terms mentioned are by no means unreasonable. If Government be pleased to agree, I request I may be authorised to offer the conditions and terms suggested and to cable to the Secretary, Nursing College, Cavendish Square, London, to select and send a suitable candidate. ~~as soon as~~ We

Yours sincerely,

Sir,

With reference to your letter No. L. 4534-Med. 64-25-10, dated 18th December 1925, I have the honour to state, as there is little likelihood of our securing a competent Matron with English training locally, I have cabled to the Secretary, Nursing College, London to select a suitable candidate for the vacant post in the Victoria Hospital and have also written to him a detailed letter by this week's mail, giving him the necessary particulars required by him. Further report will be submitted on receipt of his reply.

I have the honour tobe,
Sir,
Your most obedient servant,
